## **OBJECTIVE**

I hope to be able to advance myself through challenging hands-on experience, while also being able to fulfill my passion to create games. I want to be able to experience every part of the gaming world, from triple A titles to portable games to mobile puzzle games.

## **SKILLS**

---

### **Software -**

Autodesk Maya 8.5  
Autodesk 3D Studio Max  
Autodesk Mudbox  
Pixologic ZBrush  
Adobe Photoshop CS3  
Adobe Flash

### **Hardware -**

Basic PC upgrades/repairs  
Network cabling  
Connectivity troubleshooting

## **EDUCATION**

---

**Champlain College**, Burlington, VT

*Bachelor of Science Degree in Electronic Gaming and Interactive Development: Art & Animation, May 2008*

Graduated Magna Cum Laude

GPA - 3.667

## **EXPERIENCE**

---

**South Burlington School District**, South Burlington, Vermont Summer 2006

### ***3-D modeling instructor***

- Taught students from middle school to high school the use of 3D studio Max
- Developed leadership, communication, and teaching skills, as well as skills dealing with younger children
- Helped develop the curriculum and projects relevant to the course
- Worked with the students on an individual basis, catering to their specific needs and skills

**Hollywood Video**, South Burlington, Vermont

May 2007 - December 2007

### ***Store Clerk***

- Learned crucial customer relation skills, including the buying and selling of merchandise
- Learned to buy, clean, and test many different types of electronics, including every type of video game system
- Used my education and skill in art and design to create various displays which were used in the store
- Assisted customers with video selection and payment. Became a key resource for screening new hires.

**Brooks Pharmacy**, South Burlington, Vermont

May 2003 - April 2005

### ***Store Clerk***

- Learned crucial job skills such as customer service, store maintenance, and job *responsibility*
- Assisted customers with their selections and payment

## **HONORS**

---

- Achieved The Dean's list six times out of my seven semesters
- Named the Employee of the Year at Hollywood Video
